

RABBIT WASTE MANAGEMENT LTD

Terms and Conditions for hire

RABBIT WASTE ACCEPTS NO LIABILITY FOR DAMAGE CLAIMS ARISING FROM VEHICLES DELIVERING/COLLECTING OFF THE PUBLIC HIGHWAY.

PLEASE NOTE: When delivering or collecting off the public highway, it is possible that damage can occur to your driveway, the road surface of the adjoining property. **If you ask us to proceed off the public highway, it must be clearly understood that it is at your request and your responsibility.**

LIGHTING OF SKIPS: It is the customer's responsibility to provide lights and cones. Lights to be positioned on the containers and lit during the hours of darkness and cones to divert the flow of traffic. Any call-out by the authorities will be charged.

LOADS: The customer shall not:

- ☐ Move any container from the site or position to which it was delivered
- ☐ Overload a container. Containers are only to be filled to the capacity. If the driver considers the load unsafe we will be unable to move the container.
- ☐ Set fire to its contents. Fires are not permitted in the containers and any damage caused by burning will be chargeable.
- ☐ Rabbit Waste reserves the right to make additional charges for incorrectly described waste.

DROP DOORS: If your skip is fitted with a drop door ensure the retaining bolts are fully in place when the door is in closed position.

UNACCEPTABLE WASTE: Please do not place the following waste types in the containers as we cannot process them. Their inclusion may hazard our operators and may be illegal:

Liquid Waste, Asbestos, Plasterboard, Gas Bottles – any type, Fridges, Beer Barrels, Paint in Liquid Form, Tyres, Fire Extinguishers, Oils, Fluorescent Tubes, Clinical Waste – Yellow Bags & Sharps Boxes, Animal By-Products, Uncooked Meat & Fish, W.E.E.E. including Computers, TV's, Microwaves, Photocopies, Batteries, Marine Flares & Pyrotechnics, Any Unidentified Chemicals, Dusty Wastes such as Sawdust, POP items (mattresses, sofas, sofa beds, armchairs, beanbags, sofa cushions etc).

Waste containing any of these materials will not be transported. Hazardous materials found in the waste will be returned to site. Any additional handling/transportation is chargeable.

Waste collected under this transfer note will be deposited at Rabbit site in Lancing ERP/CB3005MB.

LENGTH OF HIRE: Unless agreed at the time of order, normal length of hire is two weeks.

When you have finished with the skip please contact our office on 01903 762020 for collection or any further services.

Once a skip has been booked for collection, your skip will be collected within 10 working days. Collection days are not guaranteed and are subject to access and operational issues.
